

a reasonable extension of the time allowed for response to an Order to Show Cause." Therefore, Judge Randall found "(1) that the Respondent's letter dated March 22, 1998, is deemed as a request to accept a late filing, (2) that three days is a reasonable extension of time to file this request, and (3) that the Respondent has subsequently requested a hearing in this matter within that reasonable time." The Acting Deputy Administrator agrees with Judge Randall's conclusion that she had jurisdiction in this matter.

As to the merits of this case, the Acting Deputy Administrator finds that on February 11, 1997, the Texas State Board of Medical Examiners (Board) issued an order temporarily suspending Respondent's license to practice medicine in the State of Texas. Subsequently, on February 18, 1997, the Texas Department of Public Safety canceled his state controlled substance registration.

In his request for a hearing, Respondent argued that his medical license was unjustly suspended by the Board. He requested that DEA postpone taking any action against his DEA registration "until the temporary suspension of [his] Texas license is further adjudicated." However, Respondent did not deny that he is not currently authorized to handle controlled substances in Texas.

The DEA does not have statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without authority to handle controlled substances in the state in which he conducts his business. 21 U.S.C. 802(21) 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *Romeo J. Perez, M.D.*, 62 FR 16,193 (1997); *Demetris A. Green, M.D.*, 61 FR 60,728 (1996); *Dominick A. Ricci, M.D.*, 58 FR 51,104 (1993).

Here it is clear that Respondent is not currently authorized to handle controlled substances in Texas, where he is registered with DEA. Since Respondent lacks this state authority, he is not entitled to a DEA registration in that state.

In light of the above, Judge Randall properly granted the Government's Motion for Summary Disposition. It is well settled that where there is no material question of fact involved, there is no need for a plenary, administrative hearing. Congress did not intend for administrative agencies to perform meaningless tasks. *Gilbert Ross, M.D.*, 61 FR 8664 (1996); *Philip E. Kirk, M.D.*, 48 FR 32,887 (1983), *aff'd sub nom Kirk v. Mullen*, 749 F.2d 297 (6th Cir. 1984). As Judge Randall noted, "[h]ere, there is

no dispute concerning the material fact that the Respondent currently lacks state authority to handle controlled substances in Texas."

Accordingly, the Acting Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration BC2334364, previously issued to Garth A.A. Clark, M.D., be, and it hereby is, revoked. The Acting Deputy Administrator further orders that any pending applications for renewal of such registration, be, and they hereby are, denied. This order is effective November 12, 1998.

Dated: October 6, 1998.

Donnie R. Marshall,

Acting Deputy Administrator.
